The diagram illustrates the assembly of the bed frame. The main view shows a perspective of the frame with parts 05 and 06. Part 05 is a vertical support leg, and part 06 is a horizontal rail. The frame is shown in a partially assembled state, with dashed lines indicating the placement of screws (C) to secure the rails to the legs. An inset diagram provides a detailed view of the connection between part 06 and the wall. It shows a screw (C) being inserted through a bracket into the wall to secure the rail. The inset also shows the placement of the rail (06) relative to the wall and the screw (C).
